### **Wallingford Police to Conduct Speed Enforcement and the Enforcement of Laws Related to Aggressive Driving**

Over the course of the next two months, members of the Wallingford Police Department will make concerted efforts to conduct speed enforcement in addition to various laws related to aggressive driving behaviors.

Funding for this effort has been made available by the police department's participation in a State of Connecticut Department of Transportation Highway Safety Grant. This funding supports the staffing necessary to allow Wallingford Police to dedicate time and resources with the ultimate goal of reducing traffic accident related deaths, injuries and property damage.
